

# KRONOS

Ecosystem For iPhone

## Redefining, Once Again

Drawing upon years of experience in professional filmmaking accessories, TILTA presents the world's first iPhone case with integrated circuits.

Offering a variety of professional features such as lighting, monitoring, filters, interface expansion (1/4, NATO, Cold Shoe), power supply, cooling fan, etc.

It's Not Only A Creative Tool

But Also A Way Of Life

WHERE TIME RESTS

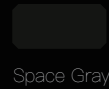

Quick Release Installation

Fast And Precise Single-click  
No Screws Required

## Khronos iPhone 15 Pro / Pro Max Case

Space Gray

Titanium White

## Draw Your Vision In The Dimension Of Time

Time: where cosmic space meets our memories. Each moment a page, every life a story. Capture the fleeting beauty, leave timeless memories at this singular point.
