02 [PACKING LIST]

- When closing the tripod, be careful to avoid pinching your fingers in the gap between the legs and the telescoping rod.
- After mounting a device (e.g., phone, camera), ensure all connecting parts are securely locked before use to prevent the device from falling.
- Do not exceed the maximum load capacity. The maximum vertical load is 1.5kg.
- Handle with care. Do not pull, push, or apply excessive force, as this can cause deformation or damage to the product.
- Do not disassemble or modify this product.
- Do not drop, throw, or subject the product to strong impacts, as this may cause internal malfunctions.
